

Wrap Pack N Carry — Company Profile

Sustainable Food Packaging Solutions | Mumbai, India

Executive Overview

Wrap Pack N Carry is a Mumbai-based food packaging company dedicated to delivering eco-friendly, food-safe paper packaging solutions for modern food businesses. The company is backed by Jagdamba Paper Corporation (JPC India) — a trusted name in the paper and paperboard industry with 20+ years of experience — bringing deep industry expertise, reliable supply chains, and a commitment to quality to every product.

Launched in 2026, Wrap Pack N Carry bridges JPC India's legacy of paper expertise with today's growing demand for sustainable, practical, and hygienic food packaging.

Mission & Values

"Packaging That Cares for Nature"

At Wrap Pack N Carry, the mission is to create food packaging solutions that protect both food and the environment. Products are made using nature-conscious materials, ensuring

safety, hygiene, and sustainability in every order.

Core Values

- **Eco-Friendly** — Responsible materials and processes that support environmental sustainability, including sugarcane-based compostable options.
- **Food-Safe Quality** — Packaging designed to keep food fresh, hygienic, and ready for delivery or takeaway.
- **Reliable Supply** — Consistent quality with dependable, timely delivery for business continuity.
- **Wide Product Range** — Complete packaging solutions designed to serve all types of food businesses.

Product Portfolio

Wrap Pack N Carry offers a comprehensive range of paper-based food packaging products:

Product	Description
OGR Paper	Oil and grease-resistant paper, ideal for wrapping burgers, rolls, and greasy food items neatly
BakeON Paper	Reliable paper suitable for baking, packing, and food wrapping applications
Slip Easy Paper	Smooth-finish paper designed for easy, clean wrapping and handling of sandwiches and meals
Sachet Paper	Lightweight packaging paper for small portions, condiments, and food packs
Kraft Paper Bag	Strong and durable bags for takeaway and food carrying
MG Poster Bag	Premium-finish paper bags for stylish and practical packaging
Pizza Boxes	Strong pizza boxes designed for safe packing and delivery
Tableware	Eco-friendly disposable tableware for hygienic serving and food presentation

All products are available in multiple formats: **Reel, Sheet, and Box**, with customization available for size and quantity requirements.

Industries Served

Wrap Pack N Carry's packaging solutions serve a wide range of food and retail businesses:

- Restaurants & Cafes
- Bakeries
- Cloud Kitchens
- Fast Food Outlets & Takeaways
- Catering Services
- Food Trucks

- Hotels
- Retail Stores

How It Works — Our Process

1. **Share Your Requirement** — Share packaging needs and quantity with the team.
2. **Product Selection** — Identify the right product based on food type and business need.
3. **Customization** — Get the right size, format, and packaging configuration.
4. **Order & Supply** — Fast processing with timely delivery to your location.

Our Journey — Powered by 20+ Years of Expertise

The heritage of Wrap Pack N Carry is rooted in the deep paper industry experience of its parent company, JPC India:

Year	Milestone
2003	Jagdamba Paper Corporation (JPC) established with a vision for growth and industry presence
2007	Expanded product range with duplex boards and imported virgin boards
2012	Built strong partnerships and added diverse paper products for wider markets
2016	Entered the kraft paper segment, strengthening the packaging product portfolio
2022	Focused on quality, sustainability, and long-term responsible growth
2026	Wrap Pack N Carry launched — delivering practical paper packaging for food and retail businesses

Sustainability Commitment

Wrap Pack N Carry uses **natural raw materials**, including sugarcane-based eco-friendly materials, to manufacture packaging that reduces environmental impact without compromising on performance. The product range includes compostable plates, meal trays, delivery bowls, and confectionery packaging — all designed to support a greener food industry.

The company's eco-friendly approach covers:

- Compostable plates and meal trays
- Delivery containers with lids
- Bleached confectionery packaging
- Food wrap & carry packaging made from sustainable sources
